SFCNS Swiss Federation of Clinical Neuro-Societies

Declaration Form: Interests

Background

As a Swiss professional association, the SFCNS is committed to ensuring transparency, independence and objectivity in its Executive Board. Executive Board members are therefore required to disclose any financial, academic, institutional or other interests and circumstances that may potentially give rise to a conflict of interest in connection with their role within the SFCNS. Disclosure of an interest does not in itself imply the existence of a conflict of interest.

The declarations of interest are published on the SFCNS website. The reference period covers the three preceding calendar years and the current calendar year.
