INVITATION

2025WNPC

Dear Colleagues,

Episirus Scientifica welcomes you to attend 2025 World Neuroscience and Psychiatry Conference (2025WNPC) held during October 10-11, 2025 at Singapore with the theme "Leading the Evolution of Mental Health and Neuroscience". This international meet (2025WNPC) in collaboration with national and international societies anticipates hundreds of participants including Keynote speakers, Oral and Virtual presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current advancements involved in Neuroscience and Psychiatry. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world-class critical care and Medical Associations.

Life is full of give and take make it count in your professional life, attend the neuro Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Singapore this October.

Sincerely,

2025WNPC

About 2025WNPC

2025WNPC will follow the Hybrid Event Model

After a successful hybrid 2024WNPC World Neuroscience and Psychiatry Conference in Singapore, the 10th Edition of 2025 World Neuroscience and Psychiatry Conference (2025WNPC) will be hosted by Episirus Scientifica at Singapore During October 10-11, 2025.

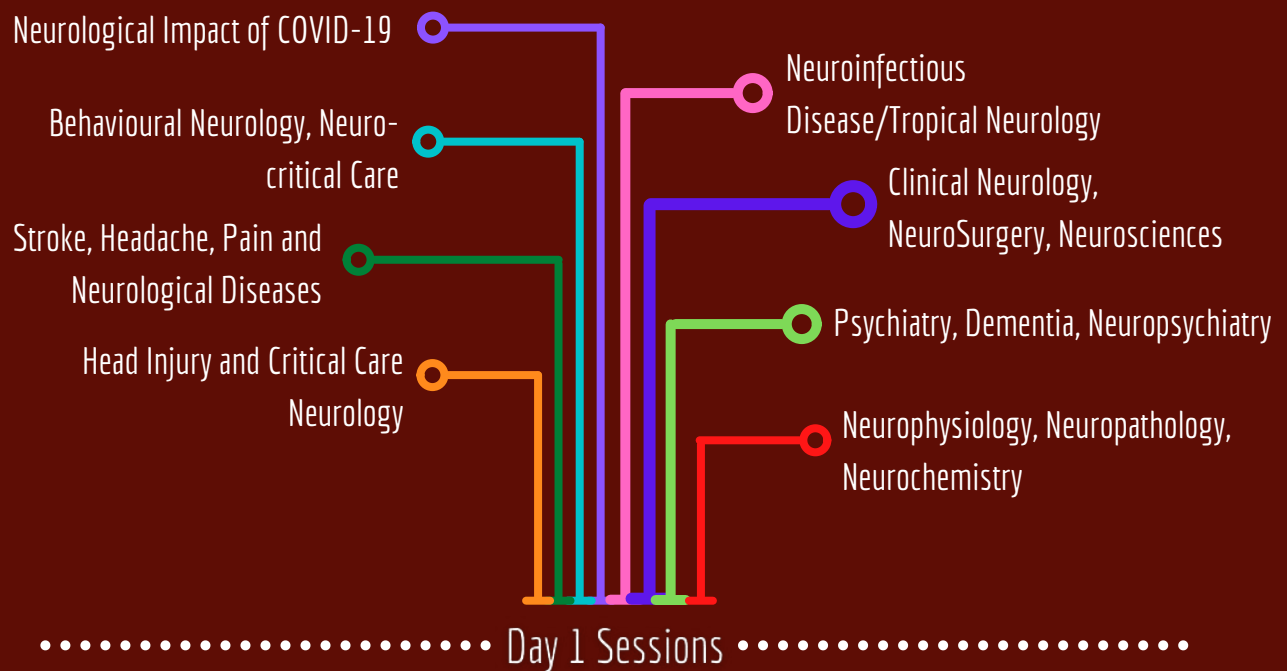

2025 World Neuroscience and Psychiatry Conference (2025WNPC) is the 10th Edition educational event which is designed to advance knowledge and expertise in neurology, neuroscience, and psychiatry that rotate between continents and are organized in collaboration with national and international pediatric societies and associations. This International 2025WNPC Congress is going to be held during October 10-11, 2025 in Singapore.

The conference is targeted to the international Mental Health community as well as other healthcare professionals involved in multidisciplinary neurological disorders; For every community, there continues to be a need for mental health and medical teams to evaluate and treat the patient. It is appropriate that this neurology and psychiatry Conference take the action of leading a continuing education venue for the complex operative and mental health challenges and become the epitome of such series.

The 2025 World Neuroscience and Psychiatry Conference (2025WNPC) will be organized around the theme ***'Leading the Evolution of Mental Health and Neuroscience'***.

The conference program for the 2 days includes a line-up of local and international speakers with inspiring insights to share on advancing neurological, and mental health Care through the lens of patient and family experiences.
